O-Woche Summer Semester 2019

Orientation week for the summer semester of 2019 was a resounding success! Many events were held, including a lavish barbecue as well as a board game party with pizza. There were presentations regarding life in Germany as well as the dreaded Ausländerbehörde, and the newbies had the chance to learn more about the university and get to know the other new students through the campus rally.

More than 50 people attended the events over the course of the two days. The atmosphere was fun and jovial. The food was sumptuous and the beer crisp, and we find ourselves looking forward to next semester's O-Woche once again. [View the pictures on Facebook!](#)
